The Lady:

I was pleased that this was not the same Gemma that I saw at Annabella's 18 months ago in Milton Keynes.

This Gemma it's much sexier. She walked in the room with a big smile, brunette hair tied back and quickly showed off her large, perfect boobs and lovely body with a landing strip on her fanny.

She told me that her boobs are 34C but they looked and felt bigger to me - they are a beautiful, full, weighty handfull

The Story:

Gemma kisses nicely, sucks your tongue and pulls your lip into her mouth. She told me she doesn't do DFK but it felt close enough.

After kissing and fondling her beautiful boobs I lay on the bed and she got to work sucking my cock. She has great eye contact and kept going for a good 15 minutes until I had to stop her as I was close to the edge. We then switched into 69 and I could see her big, natural boobs hanging down whilst my cock was being hoovered by her mouth. Of course, I had to get my hands on those 2 big beauties which felt full, natural and heavy in my hands.

The blow job was so good that I didn't bother fucking. After we'd finished 69, she carried on sucking, kissing me, biting my nipples, licking my balls, smiling and willing me to cum.

Eventually, we got back into 69 and she expertly wanked me off. When she turned around there was some cum on her chin which was beautiful to see and there was a fountain of cum on my chest.

Beautiful girl, recommended.

PS - I made a joke that there must be no more beautiful Romanian girls left in Romania. She very nicely told me that she didn't like that kind of joke. Treat her well guys and you will be rewarded
