The Lady:

Natasha is tall with legs that go up to heaven, slim toned body with gorgeous pert breast. The pictures on there web site do her no justice, she is actually far better looking in person.

The Story:

She put me at ease straight away with a friendly few minutes of chat. We agreed on half an hour of teasing, sensual sex. She tied me up to a free standing cross and teased me seductively with her half uncovered breasts only occasionally letting me lick them, by now I was throbbing as she stood teasing me with her pussy pressing down on my hard cock. She slid her tongue down my body and started doing oral on me, I could have quite easily exploded then. Once she untied me we got on the bed and it was my turn to give her oral. This girl genuinely loves it, she was sensitive and enjoyed it. I built her up slowly to orgasm. This was followed by sex in various positions real passionate girlfriend sex. I lasted until doggy style but that little rounded ass did it for me. We chatted for a few minutes while having a glass of water after. If you like sexy, sensual ladies with great easy personality then you would not be disappointed.
