The Lady:

I decided to see Scarlett after her new set of photos were posted a few weeks ago but my schedule and hers didn't align until now. But when I came through the door and saw her sitting there, she smiled and I knew that I had made the right choice. She was absolutely gorgeous! Just over five foot tall, brunette with lighter bits at the back, a nice trimmed pussy and some of the most beautiful natural breasts. She is English and listed as being age 29 but looks far younger. If you like her photos then you are in for the time of your life!

The Story:

Before I had my shower, I gave Scarlett the money and then freshened up and came back in the room. She gave me a cuddle and a kiss and before long we were on the bed and she was biting my nipples. Then she headed down for some sublime OWO with plenty of eye contact. I felt totally relaxed and Scarlett was smiling and was so easy to get on with. She commented that she could feel my cock in her mouth getting bigger as she was sucking it and it wasn't too long before I was fully erect. I hadn't cum for 5 days so I had a lot stored inside for her and I seemed to be more erect than ever before. She gave me a few nice kisses on my cock before I asked if we could 69, to which she agreed. After a few minutes of that she reached for the condom and put it on saying that she feels like she is going to enjoy this. I hope you did, Scarlett, as I certainly did! I went on top for some lovely missionary sex and then she went on top of me, crouching until she reverted to the normal position on top. Then we had a bit of doggy and took the condom off for some more superb oral. This time she licked my balls nice and slowly. Back on top, I did my best to try and cum during sex but I had to stand up to wank and Scarlett surprised me by asking if I'd like to cum in her mouth or on her breasts. In her mouth, of course! So eventually I did cum and it felt so pleasurable and she carried on sucking with it all in her mouth. She did comment that it was rather a lot that I deposited! Getting dressed we had a nice chat about my evening's plans.

I enjoyed every second of my time with Scarlett and can't wait to see her again this year. If I had to describe her it would be as a pocket rocket, a sexy bundle of fun. I think she may give Bunny a run

for her money for next year's Legend title.
