### The Premises:

Maria's flat is in the Gloucester Road area, not far from the tube station. Pretty close to Earls Court too. I've been to this place a few times in the past. Nice apartment, clean and tidy. Good shower etc. Easy access

### The Lady:

Maria is the girl in the pictures for sure. Her hair is straight now and not as lustrous as the pictures online would suggest, but very beautiful. Her body is near perfect. Very slim and toned, lovely pretty face etc. Dressed in bra and panties with a negligee over the top and heels. I would put her at late twenties. She speaks reasonably good English, she is friendly and polite.

### The Story:

I had a great time with Maria, she's a great screw. However, her OWO is not very deep at all, basically the tip. She is very well of course, but she just didn't seem that interested in it to be honest. Maybe it was an off day, or she doesn't like giving head.

Moved onto her riding me on top. This was very nice! She has great natural tits too, not too big, not too small and I loved them in my face while she rode me. We switched to missionary, and then finally to doggy. She looks great in all positions and performs wonderfully. She declined CIM or CIF, so I opted for a little more OWO whilst she wanked me over her tits at the end. This was a satisfying end to a pretty good booking. All handled quickly and easily by the agency as usual.
