The Premises:

The upper part of HoD is terrible. I think they should invest on it a bit. A hand of paint will be an improvement already.

The Lady:

Viva is the definition of sex. Wow! Average, blonde Latvian girl with an amazing body and Asa Akira's attitude to sex.

The Story:

When I saw Viva's pictures I got a hard on already.

We got in touch and I requested Felicia Brottom's school girl outfit in Young Harlots Private School (Good movie btw) and she complied with so much attention to detail!

After the paperwork was sorted, Viva proceeded to give me the best fucking unprotected blowjob of my life. Fuck! This woman loves to give head! I couldn't resist anymore so I asked her to pop up a condom and get my cock inside her, which she did with pleasure. It was like I was in a porn movie. She made the right gestures, sounds and movements. Shit, I fucked her so hard! It was like fucking Alessa Savage in Fake Taxi.

Viva is amazing! You come to HoD because you want to have an experience, and Viva knows this and makes the whole thing fucking AMAZING! If sex was art, Viva's sex skills should be in permanent exhibition in Tate Modern!

She is 39, but I have fucked chicks in her teens and twenties that would die for her super fit and sexy body.

I can't recommend her more. She is absolutely amazing!
