The Premises:

Friendly and discrete parlour, single unmarked doorway in a parade of shops. Plenty of on street parking all around. Well appointed and clean rooms

The Lady:

Wow!! Beautiful mixed race girl, brown skin, amazing black hair (upstairs and downstairs!) a couple of tasteful tattoos. Lovely skinny body and natural boobs, a real jaw dropper

The Story:

Got there a little early so got to sit with the lovely friendly receptionist whilst a room came free (busy day there). Just then Stacey walked by in sexy underwear covering and equally sexy body and said hi I'm Stacey, I knew it was my lucky day.

Grabbed a shower and was joined by Stacey who proceeded to strip off to reveal a banging body. A little bit of kissing and cuddling and then it was on with the condom for some oral (although her profile said OWO - that is my pet hate, surely the girls must proof read their own profiles?). The upside was that the oral was good! I offered to return the favour but was told it was extra - oh it said RO on the profile and actually you are missing out ! Anyway I decided against paying so with some lube we got down the main act! Some amazing sex in lots of positions and Stacey was enthusiastic throughout. I finished off by hand whilst she got a toy out - a memorable finish!

She comes across a little harsh but I get the impression that she has not always been treated with respect in her work, hopefully coming to Northampton will soften her view. Overall an amazing time with a beautiful lady, hope she sticks around.
