The Premises:

Familiar apartment near the city centre. Very clean and tidy with lots of parking. Comfortable spacious room and a bed without squeaks.

The Lady:

Sarah is just as described on the website though the pictures really don't do her justice - she's slimmer and prettier.

The Story:

Right from greeting me at the apartment door Sarah was very welcoming. She showed me into the room and offered and provided a drink. Once the paperwork was done Sarah pulled me into a clinch and I quickly found I was with someone who enjoys cuddles and caresses. Once we had undressed one another we moved to the bed and what followed was very varied and was all most enjoyable, without being rushed.
