### The Premises:

HOD is well known, it was the downstairs flat this time, back bedroom. I dont know where the maid was, didn't see her at all, Luiza let me in and brought me a glass of water, and wow I want to see her again properly. I have taken a while to post this report.

### The Lady:

a little older than the photos led me to expect, but still less than half my age and a girl you would be happy to be seen with, very nice and firm breasts, lovely personality.

### The Story:

This is not the Scarlett that was at HOD last year, that one was an English rose, this Scarlett is a little bit darker, mixed race English/Iran I think she said. Obviously very experienced, has been a lap dancer and is a very confident lady. Scarlett clearly wants you to get the most out of your session. She led me (very willingly on my part) to most experiences : FK, fingering, OWO, 69, cowgirl, missionary. She made very appreciative noises when I was on top, and seemed to flush, and I wonder if she climaxed although she didn't say so. As usual nowadays I was not close to coming, not her fault, and nearing the end of my time she asked if I would like to come in her mouth. I said yes, off with the rubber, and she has a terrific technique with her mouth and hand and before I knew it I came with a shattering climax that seemed much longer than usual. I have seldom been so noisy! She really has a great attitude, when she took my hand and placed it on her pussy and I started fingering her, I checked that was ok when most girls I have been to see have not wanted fingers inside, she laughed and said they are in the wrong job. Scarlett enjoys sex and wants you to as well, I really recommend her and will see her again.
