### The Premises:

HOD 2 but location has moved from West Kensington to the same place near Victoria albeit another flat in the building. Prefer this place as avoids confusion and doesn't have those tricky steps to the basement. Inside perfectly clean and comfortable.

### The Lady:

Wow - her photos are just like they are depicted. HOD photos can be airbrushed and you need to look at their Twitter account for a more accurate depiction but no such issues with Sarah.

I've always been partial to redheads and more so these days for some reasons. Good ones seem so hard to find. Sarah is very attractive with a great figure and I would guess she's around 40. This is normally older than what I go for but her look was really doing it for me and matched if not exceeded it in person - she gives off a Christina Hendricks vibe and could pass for her younger but less well endowed sister which of course is a very high compliment.

### The Story:

I've visited maybe 18 HOD girls since 2012 (according to my PN records) and Sarah is right up there in the top category both in looks and performance. She entered clad in black high heels, stockings, suspenders and burgundy bra and panties which is a stunning look. I haven't punted much since the pandemic and in fact this was only my third punt since Jan 2020 and so still have some trepidation. Some soft smooching at the start soon put me at ease so much so that I wanted to upgrade to an hour but unfortunately Sarah had another appointment at 8.

On to the main action, Sarah gave some nice fire play and teasing with her body and mouth and delivered a wonderful blowjob and licking my balls which I loved before putting on a condom to have sex in doggy position and finished moving back to a blowjob with CIM. Afterwards some post coital bliss and a pleasant chat.

I left with a lively tingling feeling and a spring in my step which a great sexual experience brings. I'm really looking forward to seeing Sarah again and will definitely make it an hour next time.

HOD is my default option in London and although prices have gone up to £80 for 30 mins since my last visit, it remains easily the best value and reliable choice in London and suffice to say Sarah is highly recommended.
