The Lady:

Stunning. Slim elegant and sexy - just like in her pictures. Those pictures don't show Apple's face, I can tell you, she is a very attractive woman. East Asian. She wore a Christmas outfit with black stockings. Once undressed she revealed a body which instantly aroused me.

The Story:

I asked Apple if she kissed, she said yes. Lots of DFK followed as we stood by the bed. Then she decided to undress me, and then onto the bed. More DFK, me stroking her pussy, whilst she stroked my cock. From there I explored further, kissing her nipples and moving south. At some point, positions were reversed and she started to move down on me. Sucking balls, and then OW. Magnificent. Onto her knees, doggie, then a very energetic cowgirl followed by missionary. Apple is also a really nice lady to chat to. Although not much talking until we had finished the sex. An excellent time, with a sexy and highly skilled lady
