### The Story:

I was working in the area and without being able to book any girl in advance I stopped in for a walk in. Jess was available and having seen her before a couple of years ago I was pleased to get the opportunity to see her again. To put it simply she is absolutely stunning. Long dark hair and facially quite beautiful. Her body is absolute perfection. Not an ounce of fat on her, breasts that are natural and most perfectly formed and a wonderful all over tan. Everything about seeing her was an absolute delight. The owo, the 69, looking up at her as she sat on my face and the view as she rode me cowgirl to completion was just incredible. I would go as far as to say that Jess is one of the most beautiful girls I've ever seen. She's faultless and just absolutely adorable. Next time can't come quick enough.
