The Lady:

Friendly, fit and sexy. Has a tongue piercing to put to a good use.

The Story:

Seeing her after a very very long time and it only got better!

Greeted well and straight into cuddles and DFK. Explored her ample assets and progressed to OWO. Sex in various positions and finished CIM. Top notch service as always.

Its her friendliness and eager to have a good time is what will make me go back.

Will be back as and when I can.
