The Premises:

The usual location in Victoria, this time the downstairs flat, bedroom at the front. Plenty comfortable with the shower next door.

The Lady:

I thought Scarlett was stunning, I couldn't keep my eyes off her! She was small in height, her shoes boosted her a couple of inches, a perfect height. She definitely resembles the pictures on the website. She has a lovely body, perfect natural boobs, very smooth, soft and warm skin. She has a very pretty face, I felt very lucky to be meeting her.

The Story:

Scarlett let me in the front door, I didn't recognise her immediately because her hair was longer than the photos and was black. She led me in to the bedroom, I took a shower and returned and she was waiting for me with a glass of water. We started kissing and caressing standing up, she felt great. She was dressed in stockings and lingerie as per my request, and after a while she stripped off to reveal her body which I took a lot of pleasure in exploring. She is very clean and tasty and seemed to enjoy my efforts ;-). She was also very good at a relaxing massage. Also some foot worship she has lovely feet.

Scarlett is a very relaxed, genuine, friendly and pleasant girl, I would definitely like to see her again.
