### The Story:

Sarah had been on my HL for some time after recommendations from fellow punters, but I never managed to find availability to match up a punt. Her pictures are a fair reflection, and as other recent reviews have commented, she has clearly has some work done on her face along with a lip job, nothing too over the top. TBH, I found her to be really attractive with a banging body!

On arrival, Sarah greeted from behind the magic punting door and led me to the 2nd bedroom. After parting with my punting tokens, I asked to use the bathroom and Sarah was waiting for me on my return. We had a quick chat about what I was looking for and then a look through my bag of toys. I asked if she was OK with me using poppers, but she asked me not to use my preferred method of using a tissue in a bag as she suffers from migraines and instead use directly from the bottle.

I asked her to lose the stripper heels to bring her down to my height as she was towering above me! Started with some light FK whilst feeling each other up which was a good way to start. After some playful spansks of my bum, I asked her to go harder and she set about reddening up my ass cheeks nicely. Sarah suggested moving on to the bed so she could explore my butt. On letting her fingers start to wonder, she found my butt plug which she played with whilst teasing and then sucking my cock.

Sarah clearly knows how to play with a man's butt, so it wasn't long before I asked her to fuck me with my strap on. After helping her in to the harness, she set about fucking my butt in a variety of positions as I indulged in plenty of poppers. She seemed to really enjoy it and got really in to it with plenty of filthy talk.

With my ass needing a break, Sarah removed the strap on and went to work on my cock, bringing it back to life as she teased my prostate with a couple of fingers. After more poppers and plenty of teasing, Sarah's fist was in my ass (I never normally fist on first meeting :blush:).

After she had extracted her fist from my ass, I asked her to rubber me up and she got on top. The sight of her on top with those pert tits bouncing away was too much and blew my load in the bag.

Sarah cleaned me up, I took a shower and we had a chat about the punting scene before I went on my way.

For a first punt with a WG, this ticked all the boxes for me. Sarah delivered all services enthusiastically, but also in a very professional manner. I would certainly return. :cool:
