The Story:

First time visiting Ruby but not using the agency in MK. Ruby met me in lovely blue lingerie and went straight into kissing, boy I've missed that lately as DFK has been sorely missing from the menu.

All on offer and taken , OWO was amazing with plenty of DT and was very complimentary regarding my member and its size, which was nice. Then my turn to explore, DATY was taken and this young lady is very sensitive and has an amazing pussy which I enjoyed and was very close to making her cum at that point but held back for later.

Sex was her on top as that's my preference that way I get to see this lovely lady, slow and intense sex building up in speed to the point where we both came at the same time, lovely easy going lady who I would revisit in a heartbeat because of her as a person and her personality - open, friendly, easy going and oh so sexy that all add up to make a very enticing package, not to be missed
