The Lady:

Absolutely stunning, greeted me in a sexy set of underwear.

Much prettier and dazzling than she looks in her photos.

Beautiful firm and full breasts, astounding figure and friendly attitude.

The Story:

Arrived at the agreed time, and she was ready waiting for me - her looks blew me away. Straight to the bedroom, I was made to feel completely at my ease. Kissed and chatted, dealt with the paper work. Then she asked what I wanted to do, followed by stripping her bra off so I could stroke and suck her firm nipples. Lots of FK and caressing, she then asked if I wanted to taste her pussy and laid on the bed naked while I stripped off too.

She laid back on the pillows and opened her legs wide so I could have full access to her fully shaven pussy. I asked if she allowed fingering and she said she would rather not, so I started kissing and licking her clit with encouraging noises coming from her. 'More tongue' she whispered so I started circling round her clit and it wasn't long before she was softly moaning. Her body started writhing and she gasped 'I am going to come !'

which she did into my mouth. I asked for 69 so she covered my throbbing dick using her mouth and we went about pleasing each other. Her mouth felt sensational as she went up and down my dick and started stroking my balls, at the same time she started moaning again as I concentrated on her very sensitive clit.

After a while she offered 'Cowgirl' which I accepted and she proceeded to thrust up and down sexually on me. I thought I was going to come so asked if we could move to the the 'Spoons' position to which she agreed, then we both came. There was still lots of time left so she set about getting me hard again (which she achieved) then put another condom on me using her mouth. the blowjob was the best I have ever had. I am sure I went to heaven and back ! There was time for missionary from the side of the bed, and she then wanked me to orgasm again. We lay on the bed chatting while she cleaned me up, what a wonderful hour spent with Ella - I would fully recommend

her to anyone who wants the full GFE. Treat her well guys !!
Well worth every penny - I need to start saving up again ! Thanks again Ella xx
