The Story:

Following on from my meeting with Riley (see previous review) I was more than pleased when another visit to London coincided with both these hot ladies were working and delighted to be able to arrange a 3some.

I can only say that the time was fully interactive with plenty of gymnastics to enable plenty of licking, sucking and fucking. With 2 tongues often competing to lick the same pussy. At the end of our time together there were definitely 3 totally satisfied and pleased individuals with broad smiles on our faces.
