### The Premises:

Flat in an apartment complex in the Hub area. Central to everything

### The Lady:

Angel is about 5' 11" with straight black hair parted in the middle and hanging down her back. What's really noticeable about her is how thin she looks. She's a size 6. She is mid 20s and has A cup breasts with small, prominent nipples. She also has a small but nicely formed bum. She has delightful light tan skin tone and a nice smile. She is from Romania and has a pleasant personality and is very easy to get on with. The website pix give a good approximation of her

### The Story:

This was my first appointment after a bit of a lay-off, and it was a good one to reintroduce me back into the hobby. Angel is very good at kissing. We kissed a lot during this appointment. She kisses full on, lingering longingly on my lips. She was very attentive to my needs and was willing to try out a variety of positions. My favourite was the prolonged 69 that we had - fantastic!

I only had the energy for one round in this appointment, but I'm sure round 2 would've been available if I was able to muster up the energy

As it turns out, this was one of the most fun and uplifting experiences I have had for a while. I enjoyed Angel's GFE and I would willingly go and see her again
