The Premises:

As described numerous times in numerous reviews.

The Lady:

Very much like her partially blurred photos on HoD's website. Strikingly attractive, blonde, above average in height though very tall with her sandals on, mid-late 20s, large breasts, slim physique, fully shaved between the legs. It says on her HoD profile that she's Latvian but in appearance she could hail from any of the Scandinavian or Baltic states.

A thoroughly lovely lady both inside and out with a sweet and very polite manner which makes her a delight to spend time with.

The Story:

I'd seen Chelsea once previously but that was over 4 years ago. It was so enjoyable that she went straight onto the must see again list but sadly it's taken all this time for me to book another appointment. As things turned out, it was every bit as excellent as before. In fact re-reading my P'net review of this encounter it was almost a carbon copy.

Proceedings more or less followed my favourite routine - polite chit chat while I partially undressed, fk while we were still standing with mutual groping while clothing was divested and then onto the bed for more fk followed by owo. Then on with the condom for sex in the missionary position before taking off the condom after a few minutes for more owo. Chelsea's owo technique was truly superb and I couldn't get enough but unfortunately the clock was ticking and I was aware that the end of my allocated time was starting to loom. The grand finale was by hand while fk'ing and what a climax it was - extremely powerful and long lasting undoubtedly a result of her expertise.

After an experience like this, I will definitely book Chelsea again if I get the chance and for more than 30 minutes. Unfortunately 30 minutes was all I could have on this occasion as she was busy afterwards and my schedule didn't permit me to book a later slot. This was a lesson learnt to book well in advance if there is a lady I specifically want to see.
