The Premises:

This punt took place at HOD 2.

The Lady:

Sarah opened the door. Dunno where the maid was at the time of my arrival but she was definitely around half an hour later to knock on the door and tell me my time was up.

Sarah has had some work done on her phizzog since the last time I saw her which I wouldn't say is an improvement. Also she had cut her hair which was an improvement cos it was no longer sticky.

The Story:

The HOD G.O.A.T. is back or at least she was at the time of my punt.

Sarah was wearing her red underwear & black stocking combo that you can see in her profile photos and as usual she just oozed sexuality from every pore.

Sarah showed me into the bedroom on the right of the front door. We had a quick snog before she knelt down and unzipped my cock and popped it in her mouth. She sucked and licked my cock exactly how I like it to be used.

Next Sarah fished out some blue gloves from her bag and ordered me to lie on the bed and informed me that she was going to violate my bottom. We switched positions to 69 and Sarah sat on my face and fingered my arse and sucked my cock at the same time.

I was allowed to suck her nipples but when I said I wanted to fuck her she refused and told me that the only one getting fucked was me.
