The Premises:

Tracy has moved to a new basement flat a short walk from Lancaster Gate tube. The flat is spacious, clean, with a nice shower/bathroom.

The Lady:

Tracy is a Thai beauty in her late 20s, as can be seen from her new set of photos on the agency website page. She has a beautiful face, a lovely slim but busty figure, with amazing enhanced breasts.

The Story:

I have known Tracy since she first started working in London, though with various absences due to Covid lockdowns, flat-hunting, holidays etc. This was one such absence, not having seen her since before Christmas. Now she has returned I wasted no time in arranging to see her again. After a short 'getting reacquainted' time, we went to the bathroom for an intimate shared shower together, then back to the bedroom for a lovely session of mutual oral and rimming, 69, and all sorts of foreplay. We then finished with totally enjoyable sex, first Tracy on top, then climaxing in missionary style.

I am already looking forward to seeing her again soon.
