The Lady:

There are plenty of photos of Roxy. She is cute and petite with a pleasant smiley demeanor. Her English is basic but if you speak clearly you can communicate.

The Story:

She gave me a proper snog to get the action started. I groped her ass enjoying the mirror view over her shoulder. Meanwhile I was undoing her bra and then I slid her knickers off leaving the stockings and heels on. She was fine with finger play as long as it was not inside.

Once fully hard, I got her to suck me. She does owo just using the hand to steady the shaft. She tends to go slow and tight on the helmet, but I was able to get her to go a bit deeper with some coaxing. I got the mirror view all the while. She does some tongue work to vary things.

She got on top of me and continued her sucking. I got her to go a bit deeper and jigged my hips. Mild face fuck; nothing too rough. Her gash was lovely and no restrictions on me tonguing her.

She was dripping from the 69, but still applied lube. Regardless of this she felt lovely and tight. She was on top pumping me, leaning down for the odd snog and nipple suck. Good eye contact and smiles.

I got on top of her next and continued. She felt great. No restrictions and no "come baby" rushing. She let me do my thing and I had a huge come in her. Brilliant!

I have returned several times because I find her attitude good and she is giving me attention for nearly all of the booking time.

She's the best newbie Rom they've had in ages.
