The Premises:

All the changes that were in place at the Old Coach House owing to Covid 19 have been abolished.

The venue has been reported on many times. The shower button in the room overlooking the car park does not work, you have to hold it down. As I reported in my last review, a week ago, the shower is too hot. This is a serious problem as you cannot stand under it to wash the oil off. EGO Massage management must do something about this problem.

The Lady:

Yasmin's photos do not do her justice. She has a lovely pneumatic bottom and a beautiful face. Her boobs are quite small but well formed with pert nipples.

The Story:

The session started as usual with me lying on my front. There were lots of reach unders and some B2B. Yasmin was proactive in a way that other girls at EGO are not. When I said I was a 'buttocks man' she turned around and wiggled her bum at me.

After I had turned over and was fondling her bum she continued to wiggle it about. She then invited me to give it a Whack.

Which I did in a playful manner, but she said it was not hard enough. so I gave her a spanking.

It was then my turn to give her a B2B rub, which I did on top of her With Percy pressed against her derriere. She was once again proactive twitching her buttocks. I experienced the best buttocks relief I have had in a long time.

If you are a boobs man then Yasmin is probably not for you. If you are legs and bum man then Yasmin is definitely for you. She is

on my list of girls I want to see regularly.
