The Story:

I have seen Anna many times over the past couple of years, but not written any reviews about this. I definitely owe her a proper one after so much pleasure and fun together. What I will do is not write about a specfic encounter but how the experience overall with Anna has been like.

You should know that Anna is my go-to girl and total favourite. I have had my fair share of ladies over the years and she is very special to me as we totally "click" in the bedroom. Everybody has different tastes, especially when it comes to kissing (how much tongue, how sloppy, how fast, deep etc.) and oral (how hard she sucks, how deep she goes etc.). Anna is just perfect for what I want and enjoy: she is incredibly beautiful, has a wicked smile, smooth and soft skin, ample topside that she lets you suck and grab without the "oh, sorry, I am so sensitive" BS that some ladies give you. Her oral is excellent and when you finger or lick her, she responds by getting hot and wet. I could eat her out all day as she tastes sweet and clean. I cannot comment on how she is with other punters, but for me the combination of GFE service with some PSE elements thrown in is the perfect combination. She has a range of toys and if you like butt plugs, strap-ons and dildos, she happily uses them.

Despite having seen her so many times, I have yet to do anal, which she offers - I must admit that on the few occasions we tried, I had to capitulate as she was so tight and I was never hard enough to push in. However, she does an engaged job rimming and you can finger her ass, too, or let her finger yours.

All in all, an awesome lady!
