The Premises:

Familiar first floor flat ten minutes walk from Victoria station. It's clean, comfortable and well run.

The Lady:

There have been some welcome familiar faces returning to HoD (Gabriela, Tina) and some welcome new faces (Selina, Roxy). But for me the standout lady is the beautiful Apple, who I have been seeing regularly since I first discovered HoD some years ago.

She is a lovely 30-something Asian woman, beautiful, sexy and desirable. In the words of Alec Guinness at the end of Dr Zhivago, when talking about Lara, "I think I was always a little in love with her."

The Story:

I don't intend to go into intimate details of our time together. It is suffice to say that Apple has a wide range of published services on her profile page, all of which are readily available, and provided with enjoyment and enthusiasm. She remains of course my go-to favourite!
