### The Premises:

Claudia is based in a flat. I only got to visit the bedroom which was well sized and clean. The bed was also very firm with a good frame.. no squeaks. The room was also dimly lit with enough light to see her beauty.

### The Lady:

Claudia reminds me of a Porn star with a fabulous full figure. She not fat and not your skinny type of girl. More of a real figure. She has very kissable lips and the picture are pretty much spot on.

### The Story:

Claudia was a lady I have been wanting to see for sometime as she looks extremely sexy and this look to her, I don't think I can explain. Eventually the time had come and she was available to meet. I have used Babylon a lot and they know my usual request of a sext outfit and to my delight the message was well received by Claudia...in fact almost all the girls I have seen recently have followed through with my request. As usual the booking was made easy and I received the confirmation text within 10 mins.

Claudia greeted me at the door with a sexy lingerie set on....looked expensive. She is a lady of class to look at. Her breasts were bursting out of the bra and I loved the big bum. Her lips are Porn star lips as she uses the filler thing... I liked what I was seeing at the door and entered with a big smile.

Claudia speaks good English and I got the feeling she has been around for sometime. She is very friendly but at the same time she is getting on with her business without no detriment to her service. After a quick freshen up and everything business sorted we got on the bed and I told Claudia that I wanted her to go all out with me and I tell you she did not disappoint.

We started to kiss on the bed in true GFE style and I was grind on her body as I was so hard. Her body is just amazing... if you like more of a full figured girl (not fat) then you will love Claudia like I did. Claudia eventually started her show on top of me the weight of her banging down on me was so arousing. She really works hard and has a great technique. The first time I did last too long as you could imagine. However, after the second round we started again and managed to complete a

number of positions including the mandatory doggy that she loved, me on top of her with legs up..she also finished me off with some great OWO. I was totally drained and if could go a 3rd time I think she would be up for it...but with only 10mins left I could not even try.

Claudia, is a great lady to see for an excellent service and very attractive. She does not talk much but is very friendly and wants to get down to business which was great for me.
