The Lady:

I've seen Helen quite a few times now. She always was and still is a gorgeous woman, beautiful face, beautiful shaved pussy, an arse you just want to bury your cock into and tits that are out of this world

The Story:

Welcomed at the door with a hug and kiss then upstairs to the pleasure room. Helen never asks but I always hand over the cash straight away. Started with deep French kissing that went on for ages which always gets my cock bursting out of my jeans, then on to those amazing tits. Her nipples are really responsive and react well to licking and nibbling. She went down on my cock and gave me one of the best blowjobs I've had, then took my length inside her pussy, all the time playing with herself and occasionally putting her pussy soaked fingers into my mouth. She absolutely loves sex and seems to thrive on making you cum, I wish I could keep her as my personal sex slave! I didn't want to write this review as I'd really like to keep her to myself, nevertheless I can't recommend Helen highly enough, she will fuck and suck you dry.
