The Lady:

Photos are from 3-4 years ago, but still accurate. She is still hot. Firm real tits, small waits. Petite.

The Story:

Saw her a few times back back in 2015 when she first appeared in London, and when she came back a few years later. Back then, she was a barely 18 year old beauty with a smoking body and bad attitude. But I found her beautiful and so tolerated the attitude and limited range of services. Over time, we upgraded to full OWO, CIM and CIF, but never A, due to size.

Saw her reappear out of nowhere on Admiral and figured I would pay her a visit. She is mid 20ies now, still very cute and confident, and certainly more experienced, having spent the last few years entertaining men across Europe to the Middle East.

Not sure she remembered me, but in any event while I took the obligatory shower I ordered her to strip naked and stay in hills. Stepped out and she was marvelous. Brief OWO and pushed her to her knees. She sucks well and did not object to a mouth fuck. Soon enough I was unloading in her mouth a few days' worth of cum, holding her head to make sure she would take it all. Sucked me dry and then went to spit with a devilish smile.

Then entertained her with some oral on her (which she seems to like more than I remembered) and then got her to suck me again, while I was lying in bed, even pushing her face down for a brief stint of rimming (not welcomed). So I got on top of her and started pounding. Since I had just cummed, I had some stamina and resistance in me and took full advantage. Used like a little slut, in various positions, for a relatively long time, while she was moaning and taking it. Closed by pounding her doggy while pulling her hair until I could not longer hold it and turned her around to wank on right on and all over that pretty face. She took facials from me in the past so I figured she would still be ok. No complaints.

Shower for her and the for me. Asked for a final BJ before I left but ultimately could not cum a third

time. Still nice yo have her lick my balls and fuck that pretty mouth a bit more. She looks lovely sucking cock.

To be repeated. I wonder if she does CIF on 30 min meetings...
