Basic room as per usual off main room.

### The Lady:

Absolutely stunning, tall, slim with a beautiful face.

### The Story:

Great personality and friendly down to earth girl. Thought for her rates I would have a top experience but no, no dfk/fk, just lip kissing, not allowed to touch her boobs as sensitive. Only cum once per hr service. Disappointed as she is stunning, but with very limited. Well with me anyway, can't vouch for others. After deciding carefully, I gave her a neutral recommendation. For talking and companionship, she's great and when we did have sex it was great, but for the limited services huge disappointment. So to be reasonable neutral for her and won't return back as not willing to offer true GF experience.
