The Premises:

The location is an establishment called Annabella's escorts in Milton Keynes.

The Lady:

She's attractive, big breasts and curvy body.

The Story:

I have been seeing a lot of escorts over the years but this was one of the worst case scenario! This lady was so full of red flags it was unbelievable... she didn't do anything on her list or showed any enthusiasm for the job. All she said was that she's got a throat issue and so she wasn't going to kiss or give oral without. Be wary guys this one is full of it!
