Petite asian lady probably about 30. Absolutely gorgeous: beautiful smile, small firm breasts, skin as smooth as silk classic asian lady build shapely but not voluptuous. Really friendly an absolute delight.

The Story:

I have known Apple for quite a few years & I am addicted to her (as you will be after your first visit). She greets you with memorable & genuine DFK. Then before you can say WOW she is giving you amazing oral. We then lay on the bed & chatted for a few minutes then she got on with the business!

Starting with this incredible oral then quickly (to avoid a premature accident) into 69. Her pussy is great & she won't mind if you rim her arse a bit too.

It never takes very long but you feel a million dollars afterwards. I have done snowball with her after CIM but it is optional.

Her various services are shown on the website & we have done a few!!

She is really smashing & I can not recommend her too highly.

I shall of course be back for another lick!.
