The Lady:

Pia is a long-time acquaintance, who only Got Better over time.

Pia arrived at the agreed time, and came dressed neutral and casual. A nice looking woman on her weekly shopping. Nothing would suggest the Hot Woman inside that neutral package. But look at the face, look at the eyes, and the Sparkle is right there. This neutral package is the disguise of One Clever Girl.

And the Perfect GFE.

The Story:

I made her take the stairs, a few floors up, to get the blood flowing and to see how she would react. She is fit.

It had been a god few years since we met but it was a nice reunion with an old Friend. After a a drink and some nuts (cashews, not my nuts yet), we found we still got along great. Pia is a good communicator, and she hasnt lost her sense of humour either.

She then proposed to change into something more... Sexy.

And Wow! Pia is in Good Shape, and she knows how to dress to seduce.

If you want to see a Hot Woman, ask for "that dress".

Bedroom it was, Immediately.

On the bed, Pia knows her man. And she knows how to connect. You can tell her what you like, She will listen. And she'll let you know how she likes you in bed as well. The result in our case was a Brilliant Meeting.

We both seem to like foreplay: cuddling and touching, enjoying each others bodies. Pia knows How. And take note: Pia is a Great Kisser!

I had to control myself, because Pia is one Hot, Desirable Girl, and my body Wants That Woman.

Pia is Experienced, and he responds really well if you treat her gently.

After a good intro and lovely foreplay, we decided to get into the The Action.

Pia is a great lover who knows which buttons to press, and she got me going like a rocket. I think she really enjoyed turning me on and making me go wild.

Superb Meeting with a Lovely Woman.

Will Return!
