### The Premises:

Ground floor flat in a residential road near Shepherds Bush. Easy to get to by either bus or tube. One wonders if the neighbours notice lots of comings and goings but I guess that's not my problem. Nice tidy and warm flat (outside temperature today was close to zero) with relaxing music. En suite shower. Heated blanket on the bed which was a nice touch too.

### The Lady:

Very nice. Exactly like the agency photo page and description. Probably age 30 ish rather than 23.

### The Story:

My regular East European punt has gone off the rails a bit in the last 12 months so I decided I needed to dump her and look elsewhere. I've had my eye on Olina agency for a while so now seemed a good time to give them a try. I was not disappointed. Greeted like a Lord - drink offered (I took water) and a quick shower. It turned out the shower was "assisted" and that was a really pleasant surprise. On to the business which included everything I might reasonably expect with plenty of eye contact. All done by half time (I can't manage a 2nd pop within an hour any more). Then it's massage time - that was done properly and took the next 25 minutes. Final 5 minutes was for another assisted shower and then I was out the door.

I am writing this with dull aching balls. That is always a good sign of money well spent. I'll be back for more.
