The Lady:

Yasmin is stunning. She is young (looked to me around 20 or 21), of mixed race heritage, pretty and curvy. She has recently had her boobs enhanced and her bum could be placed in a museum, as it's a work of art.

The Story:

This was my second visit of the day to Ego, having been treated by Eve earlier to a great time. Yasmin does come across as a little shy at first, but once you get chatting to her she opens up and her lovely personality comes shining through.

Yasmin has a great touch when she was massaging me, her hands frequently going down between my legs and fondling my tackle. When she climbed on top to slide her body over mine, it was taking it to another level.

When I turned over, things get much more raunchy, with the highlight being her delightful curvy bum which my hands couldn't keep away from!

Unfortunately, despite Yasmin trying her best, I couldn't finish as Eve had done such a good job of emptying my balls in the morning!

If I had to choose between Yasmin and Eve, I honestly wouldn't care as they are both so good!
