The Story:

I visited as a naughty nephew, to receive a bedtime spanking dressed in my pyjamas. The spanking was to clear the air between us . She didn't disappoint, and i was soon over her knee for a sound hand and hairbrush spanking. Then it was the tawse, a variety of straps and a caning. All implements were used to my limits and Linda was quite happy to increase the severity if i requested. We had an interlude and i was able to remind my aunt as to what a spanking feels like. That experience earnt me another OTK spanking and a caning over her bench. It was great fun. I can still feel the warmth in my bottom 24 hours on. Linda is lovely to be with, friendly, chatty and happy to adapt to any scenario. I recommend her whole heartedly
