The Premises:

A familiar flat on the first floor of a terrace house ten minutes walk from Victoria Station. Clean, comfortable and well-managed.

The Lady:

Apple is a long-standing and popular member of the group, and someone I have enjoyed visiting on a regular basis for quite some while. She is a lovely Asian woman in her early 30's, slim, medium height, and a beautiful face. As the poet Keats wrote in Endymion, "a thing of beauty is a joy forever" which certainly continues to be my experience.

The Story:

Knowing me as well as she does, Apple is always relaxed and welcoming on greeting me, and immediately engaging in the full range of sexual interaction for the duration of our time together. Her list of services is extensive, all readily available, and expertly delivered. She will always be a source of joy for me.
