The Premises:

Discrete basement flat near Victoria Station. Room warm and sexy-comfortable, nice bed & 'look at us!' full length mirror.

The Lady:

Scarlet is a total sexpot! Genuinely beautiful face, cheeky-naughty grin, gorgeous figure with a lovely curvy arse, hourglass waist and very cuppable, suckable boobs. Oh, and very soft, olive skin. Perfection!

The Story:

As requested, Scarlet appeared with just a jumper and knickers - awesome, like the girl you've always fancied turns up at your front door unexpectedly for a shag. Well that's what was in my head anyway. Immediately into lovely soft, passionate kissing, lips and tongues, on my neck, all over - which really turns me on, I was hard for pretty much the entire hour.

After lots of soft covered (my request) cock sucking and some amazing mish (Scarlet's pussy is insanely tight and warm), she got me off with her amazing hands, which was just explosively sexy; her lubed finger eased into my arse with lovely rotating movements while gently rolling her palm and fingers over and around my knob with masses of spunky white lube. Came in a total mess of cum and sticky lube, smutty giggling and joking throughout.

We screwed twice more, I just couldn't get enough of Scarlet, we really clicked, fab banter, kissing and tingly skin stroking throughout. I shan't forget the feeling and look of humping Scarlet doggy with her almost flat on the pub, hot, sweaty and explosive - crazy sexy!

Scarlet you're awesome xx
