The Premises:

A large house/commercial property in Fenny Stratford. Plenty of parking nearby and the interior was much the same as any parlour, although in better condition than most.

The Lady:

Her photos on the website are reasonably accurate but a bit old, her pictures on the Annabella's Twitter account are better; early 40's, facially attractive with a slight belly and large natural tits. She is friendly and she is clearly a very experienced escort.

she told me that she has been working for Annabella's for 17 years and that reflects well on both her and the agency

The Story:

I was in the area for work yesterday and I decided to visit Annabella's. As I didn't know when I would be available, I was a walk in and only Carla was free.

Once I had paid we began straight away with kissing and mutual masturbation.

After a couple of minutes of this I was rock hard and Carla then gave me OWO to a good standard before switching to 69 and some rimming on her. Her pussy is simply wonderful, I could have spent the whole day eating her out.

We then moved on to sex in various positions where she made good use of her skills in talking dirty by describing how many men she had fucked and how much she liked being fucked by strangers. Her pussy was soaking wet throughout and she was very responsive.

Finally, she wanked me off into her mouth while telling me how much of a slut she is.

An excellent punt with a skilled and experienced lady who is very capable of providing high quality sexual services and who is also very personable and friendly. I have been punting for many years and Carla is one of the better parlour ladies I have visited. Highly recommended.
