The Lady:

Ella is a truly beautiful lady with a stunning natural body. Her photos, as nice as they are, don't show her real natural gorgeousness.

The Story:

I have wanted to see Ella for a few years now, but due to my work schedule and my proximity to Annabella's this was the first time.

The 90 minutes spent with Ella absolutely blew my mind.

We spoke initially about how I wanted to use our session, Ella listened totally intently and took everything on board.

She is so beautiful, so natural with such a wonderful sense of humour.

Our session was a combination of both a passionate gfe and a full on kink fest...

So much of the time was deeply passionate and personal, but suffice to say was a genuinely mind blowing, knee trembling experience.

I had the amazingly horny pleasure of having Ella squirt on my face, not once - but twice.

I cannot wait to see Ella again, and for a longer time.

I haven't gone into much intimate detail purely because it was passionate and personal between the two of us.

Don't miss the opportunity to see Ella, she is amazing, delightful, gorgeous and incredibly sexy and

sensual.
