The Lady:

Looks: Her hair is blonde, but her eyes are brown. Cute MILF with a slim body as shown in the pictures on the website. Some tats as well. Quite big boobs. Fluent English.

She came across as sweet and affectionate.

The Story:

Action started on time.

Pure passion. It was a full on snog fest from the get go. She stood in heels in front of the mirror. I was kneading her arse. Then her lingerie was cast aside.

Onto the bed and we cuddled close. Snogging galore. She was squeezing my wood. I was fingering her outside. She was moaning and shuddering.

69: she insisted on the condom but got my cock in deep. Lots of gagging. Lots of sucking my balls. She was really reacting to my tonguing and said that she came. Her mascara was beginning to run when we got face to face again. She got on top of me and pushed me in. It was steamy as she cuddled close.

Finally, I got on top of her. Got my hard on in balls deep. We cuddled close. She had her legs up. The angle felt tight. Loads of snogging. Her moaning as I pumped. She was trying to come again but not getting there. Loads more snogging and sweaty shagging. I just got a nice angle and with a few more pumps, blew my load.

Your mileage may vary and keep in mind she is new to this. That said, I lucked out; I got the full time. It was a brilliant experience and I will return.
