The Premises:

DL hasn't changed much since the last reviews.

Still a tatty looking old corner shop that has been nicely refurbished inside.

It's on a quiet residential road with plenty of safe parking and access is fairly discreet.

The receptionist was very nice on the phone and put me at ease on arrival and brought me a glass of water.

Paid 20 for the room, which was a very clean room with a double bed and lots of mirrors.

The Lady:

I hadn't seen any photos of Emma before I booked but I wasn't disappointed at all. I found Emma to be very attractive. She is a dark-haired lady and looks to be in her early 30s.

She has the most beautiful eyes, is quite tall with great legs and a well-toned body that suggests she works out regularly. I would guess she is a size 10 and a C cup

The Story:

Emma is very easy to talk to and is very intuitive, working out what you want very quickly. She was very relaxed and there was no clock watching or time pressure and I'm sure we went over by quite a bit

There is not much else to say except that I had a great time and thoroughly enjoyed myself. I will definitely be going back.
