### The Premises:

Usual flat near the Hub - easy parking.

### The Lady:

after seeing her pictures, I couldn't wait to meet her in person and let me tell you, she didn't disappoint. She had an amazing body with beautiful curves and an incredibly sexy presence

### The Story:

The entire experience was incredibly sensual, captivating, and one of the best girlfriend experiences (GFE) I've ever had.

Not only was she exceptionally beautiful with a stunning physique, but she was a pleasure to talk to and her service level was 10/10 outstanding.

Round one was so good I returned for round two just four days later! I'm already working out how I can make room for rounds 3, 4, 5, and beyond...
