The Premises:

A different flat than I've visited before in the Hub area. Relatively discreet entry though, buzzed in promptly. Usual clean & tidy premises with decent shower facilities & toiletries.

The Lady:

Elizabeth looks even better than in her photos. Tall, slim but curvy, long black hair with a great smile. Tanned all over with pert natural breasts & a lush bum. Excellent attitude. I was not disappointed.

The Story:

From the minute I was greeted, right through to the moment I left, Elizabeth gave me her undivided attention. Friendly & welcoming upon arrival, things progressed at a natural pace once I returned from my shower. Plenty of kissing, cuddling & touching interspersed with questions about what I liked/wanted at first, then she stripped off her lingerie and things heated up even more. We went through an enjoyable repertoire of oral on each other followed by protected sex until an explosive climax was reached, followed by a moment of cuddles and unrushed chat. I felt like I'd had the best kind of GFE encounter, with a sexy, classy woman who was totally focussed on me throughout. Great sense of humour, very attractive & pretty filthy too - all the things I like! Highly recommended
