The Annabellas premises in Fenny Stratford.

### The Lady:

Mid 30s, fantastic body and facially pretty. Her pictures on the Annabella's site and Twitter are accurate.

### The Story:

I have visited Annabella's 3 times now. The first time was quite poor (the lady no longer works there), the second visit (to see Carla) was very good and my latest visit with Gemma was exceptional.

I have probably visited around 300 escorts over the years and the best sex I have ever had was with Gemma. She is beautiful, enthusiastic, skilled and her pussy is incredible. I highly recommend her.

When I arrived I was shown to the room by the maid and Gemma joined me shortly afterwards. Her friendly and professional attitude was soon apparent and, after a short massage she began OWO. She has quite a slow technique, not normally something I enjoy, but she knows what she is doing and she has a way of tickling the shaft with her nails that really adds to the experience.

RO, or 69 in this case, was also very good. Her pussy looks, smells and tastes wonderful.

She put the condom on with her mouth and we began in cowgirl, this is when I discovered her real talent. I have visited other escorts who have been able to control their vaginal muscles to a small degree but Gemma can sustain it for long periods, she can literally wank your cock with her pussy muscles. As you can imagine, this takes sex to another level entirely.

Gemma is a truly exceptional escort, I am serious when I say that she provided me with the best sex I ever had and her beauty and friendly attitude made the experience even more memorable.

If I had to find fault, it is that her services are fairly basic: she doesn't offer DFK (but does kiss on the lips and isn't hesitant to do so) nor offer CIM but this is only a tiny issue given the quality of everything else.
