### The Story:

I saw Sienna as I walked in and knew I had chosen well. She came in the room wearing a sexy black corset and offered a massage which was enjoyable. Rolled over and straight on with the cover for OW (no services listed on the website. After some good oral then she lay on her back and I went to go down on her - apparently that's extra so didn't bother (I wish they wouldn't do that = they are paid as fair as other places). Had some good sex in different positions then finished off by hand. I wasn't a very intimate punt which put me off. No kissing, no fingers, no real touching, no RO etc... you get the idea.

If you want a basic service with a lovely lady then she's the one. Probably wouldn't go back for more
