The Lady:

Roxy is absolutely stunning. Sexy long legs, big bum and breasts. Exactly like her photos which was good. Her face is very stunning!

The Story:

I turned up and was shown to the room by another escort, Ella, (who I will 100% be visiting next) Waited in the room for foxy to get ready - she came in with an amazing outfit on and looked like she could turn anyone's head.

We got naked on the bed and she gave me the best OWO her technique could have easily made me cum if i hadn't wanted to fuck her. We then went on to sex, missionary with legs in the air, followed by doggy which she seemed to love she was screaming and who am I to not join in with the vocals - I got totally immersed in fucking her. I find it hard to cum with a condom on so she whipped it off and wanked me off with 2 hands spitting on my dick in the process, she is both filthy and classy - when I came she gently played with my dick until I lost erection.

Only criticism, well not really a criticism, she doesn't like spanking or kissing and that makes the experience for me that little bit more special.

She did seem to get really into it and gave me an experience I thoroughly enjoyed.

She really is one to visit
