The Premises:

HOD basement flat, 10 minutes walk from Victoria station. Prefer the basement flat as slightly more discreet. Very clean and tidy as always.

The Lady:

Apple is a stunning young Singaporean lady with an amazing figure. Tanned, petite and impeccably turned out. Her face is blurred on the HoD website which for me, adds to the mystery. Don't worry, you will not be disappointed.

The Story:

Rang the bell and was promptly let in by the very cute Rose, who recognised me from a previous liaison. Nice touch, and did feel a slight element of guilt in that I was seeing someone else today - maybe next time. A brief pitstop in the bathroom and then directed into the rear bedroom and offered a glass of water. Paperwork and small gift left on the bedside table.

Apple entered the room a couple of minutes later and I'll be totally honest, I was like rabbit caught in the headlights - absolutely drop dead gorgeous. Apple immediately put me at ease with a quick chat and then straight into some very passionate kissing whilst fondling my already hard cock through my shorts. Having slipped out of her black lingerie and slowly undressing me, Apple proceeded south for the most exquisite of blowjobs, managing to take my full length down her throat and keeping eye contact throughout. We spent the next 30 minutes exploring each others bodies with plenty of mutual fondling, reverse oral, 69, rimming etc. The sight of Apple riding me reverse cowgirl will be imprinted in my brain for quite some time, and very nearly tipped me over the edge. However, I cannot resist a CIM finish and Apple very kindly obliged with aplomb, expertly sucking and deftly running her nails up and down my shaft and balls to an explosive finish - wow...

We still had about 15 minutes, so took up Apple's offer of a massage. The perfect end to a perfect punt. Just time for a quick shower, a kiss goodbye and out the door with a spring in my step and a smile wider than the Nile. Apple did mention that she had recently returned from holiday and was feeling a little jet-lagged. Well, if this is what you do jet lagged, you can have as many holidays as you like. Apple, you were simply amazing...
