### The Premises:

Visited my hotel room

### The Lady:

Tall ,well proportioned voluptuous figure , blonde hair , very chatty and generally good company

### The Story:

Marilyn arrived on time - I opened a bottle of wine and chatted for a few minutes till the blood started redistributing itself - we proceeded to the bed and then it was oral for sometime (with a condom of course ) , then straight missionary position for a while , then doggy style and finally the piece de resistance -anal . She really does enjoy anal which adds to the overall experience . Some more wine and witty conversation followed till the old jolly roger was aloft again .She is not a clock watcher ,as by the time we finished a repeat of the first round we were some minutes over the hour .Overall excellent value for 300 quid
