The Premises:

Flat by the Hub in MK - very easy to park in Sainsbury's - ring the buzzer and be let in. Instructions via text were very easy to follow and booking process was simple. Flat had shower facilities and was very clean.

The Lady:

Ella is sassy with a wild side. Incredibly sexy, seductive, unbelievable curves and boobs that you will not be able to take your eyes off.

The Story:

I visited Ella on the Monday and it was so good I went again on the Thursday.

In both sessions I was tied and teased from top to bottom. From sexual massage to kissing all over, the build up and tension was amazing. Her Oral skills are insanely good, a combination of sex toys and intercourse was also fantastic.

In the second session she told me she would devour me and she did! She suggested a prostate massage along side oral (I had never had one). I was a little bit apprehensive but went for it and combined with a CIM finish it was one of the most intense orgasm I think I have ever had.

Ella has an incredibly sexy way about her. If you would like your mind blown along with other bits, I would suggest you take a little visit to see Ella. I am looking forward to many more repeats!
