### The Story:

Got there and Elizabeth answered door in underwear looking stunning as always a quick kiss and showed me to room and got me some water. When she came back some kissing and catching up and gazing into her eyes. Elizabeth got on bed and told me i was to over dressed so who am i to deny a beautiful woman got undressed and joined her on the bed for more kissing and cuddling. Elizabeth then said i hate clothes and got naked what a sight just the perfect body.

Kissing cuddling then owo with out which is fantastic with amazing wye contact through out then on with the condom and she rode me and kissed then into doggy and her ass is better than her photos just divine soon finished off a clean up and kissing and chatting. She is a very smart funny lady who keeps you on your toes which i love.

All in all a brilliant GFE with a very sexy woman what more can you ask for just amazing
